LUXURY BOATS,
DESIGNED TO FULFILL YOUR DREAMS

TODOMAR BOATS

Tailored to fulfill your dreams, our boats are built to the highest quality and international standards. Our boats are perfect for any adventure you and your family will embark on. We pride ourselves on being designed for the roughest Caribbean seas providing a smooth and dry ride on any type of waves. Further, we combine the elegance of the European style boats but with an American type go fast, solid, and well built structure and electrical system.

TODOMAR 30

Our Todomar 30 has many features that make it a great option for you. It boasts a great size bathroom inside the console. Further, its comfortable sunpad in front of the helm proves an ideal spot for your loved ones to catch some rays and feel the wind in their hair. Efficient and seaworthy, this boat proves to be a great option to enter the Todomar world.
