### TODOMAR 30

*Our Todomar 30 has many features that make it a great option for you. It boasts a great size bathroom inside the console.*

## *TODOMAR BOATS*

---

Tailored to fulfill your dreams, our boats are built to the highest quality and international standards. Our boats are perfect for any adventure you and your family will embark on.

We pride ourselves on being designed for the roughest Caribbean seas providing a smooth and dry ride on any type of waves. Further, we combine the elegance of the European style boats but with an American type go fast, solid, and well built structure and electrical system.

At Todomar we build boats that tailor to your specific needs, with different layout options and details, our craftsmen will build the boat of your dreams.

---

*DESIGNED AND DREAMED IN CARTAGENA*

---

Our boats are made to take care of your most precious treasure: your family. Our Deep V hulls will provide safety and happiness in any adventure you and your loved ones undertake.

# TODOMAR 43

Our Flagship model Todomar 43 was designed in Florida, but made for the harsher seas of the Caribbean. This boat provides versatility, power, comfort, elegance and can be built to either fishing, cruising with the family configuration or a combination of both.

The interior cabin provides a comfortable berth or seating option to entertain and cool off from a hot sunny day. In addition, it provides an easy access to the head and multiple equipment to enhance your boating experience.

Our 43's Deep V hull provides an equilibrium between agility, speed, performance and efficiency. At higher speeds, it sticks to the water to provide a dry and comfortable ride that will thrill and awe any user. You will be amazed of its overall ride, comfort, attention to detail, and the different options/layouts available to you.

## TECHNICAL SPECS

L.O.A: 43 FT with pulpit
Beam: 11,80 FT
Weight: 23.009 lbs

Fuel Capacity: 500 Gallons
Water tank capacity: 120 Gallons
Engines: 3 Mercury 300 HP - (4) 450 HP

## HULL AND DECK

- Hull laminated with Biaxial fiberglass.
- Deck in Fiberglass
- Deck paint: Gelcoat
- Color:White

## STATEROOM

- Bed (U shaped setting available as an option)
- Interior furniture in PVC and laminate
- Granite on entrance counter and opposite counter
- En suite bathroom includes:
  - Shower head
  - Faucet for wash basin
- Granite countertop
- Dometic head 12V
- Acrylic mirror in door
- Acrylic mirror to Access electrical system

## DECK FLOORING

- Painted non skid
- EVA type floor matt

## HELM COCKPIT SEATING

- 3 High performance bucket seats with flip up bolsters

## HELM

- White Gelcoat finish
- (1) Acrylic windshield
- (1) Step up platform
- (1) Glove compartment with USB plug

## COOL BOXES

- Insulated Gel coat finish:
- (1) port beside bow sunpad
- (2) Aft behind aft bench seat
- (1) Mid ship on the starboard side

## STORAGE

- White Gel coat :
- (3) Storage boxes below bow seating
- (3) Storage boxes below aft seating
- (1) Storage box in deck floor
- Storage boxes aft beside aft cool boxes

## HARDTOP AND HAND RAILS

- (1) Sport aluminum structure
- (1) Fiberglass hardtop with integrated speakers
- (1) Stainless Steel hand rails bow
- (1) Stainless steel hand rail for dive door

## FUEL TANK

- Material: Naval Aluminum
- Capacity: 500 gallons
- (3) Engine suction
- (1) Fuel level sensor
- (3) Fuel filters
- (1) Fuel air separator
- If 4 engines are selected, quantities change as well

## AFT STANDARD SEATING

- (1) L shaped forward facing seating
- (1) Bench seat looking aft behind cockpit seating

## SPEED

3 Mercury 300 - 43 knots
4 Mercury 300 - 47 knots
4 Mercury 400 - 53 knots

## ELECTRICAL SYSTEM

- Courtesy lights:
- (2) White lights in the head
- (2) Blue lights in aft bench seats
- (3) White lights in stateroom
- (1) Blue light in foward seating
- (3) Blue lights in walkway
- (6) Blue lights in hardtop
- (1) Red light for navigation centered above helm
- (2) House batteries
- (3) Engine batteries
- (1) Panel switch in helm
- (1) DC distribution panel
- (1) 4 1/2” Black compass
- 12V Plug for charging: (1) helm, (1) bow

## LADDER

- (1) Telescopic Ladder in the dive door recessed below the deck

## FRESH WATER

- 4.5 gallons per minute water pump
- Shower head in port side beside dive door
- (1) Grey water box

## COMMUNICATION SYSTEM

- Complete set of navigation lights
- (1) Position light
- (1) Aft light
- (1) Green/red navigation lights
- (1) VHF Radio with built in gps
- (1) VHF antenna

## STABILIZER KIT

- (2) Stabilizers: (1) port, (1) starboard
- (1) Switch with stabilizer position marker
- (4) Stabilizer harnesses

## BOW THRUSTER

- (1) 12V Thruster
- (1) 18M Harness
- (1) Joystick
- (1) Battery

## STAINLESS STEEL

- Cleats: (2) 8” bow cleats , (2 ) 8” aft , (2) on the sides of 6” and (4) removable pins on the sides
- (12) Stainless Steel cup holders:
- (4) At the helm
- (4) In the sunbed
- Latches and hinges on doors and hatches
- (3) Tow eyes
- (2) Fairleader
- (1) Stainless Steel fuel cap 1-1/2” (1) stainless steel water cap of 1-1/2”
- (2) stainless Steel tank exhausts

## SOUND SYSTEM

- (1) Fusion Apolo AM/FM MS-UD770
- (6) 7.7” Fusion signature speakers flush in the hardtop
- (1) Amplifiers
- (1) USB/AUX

## NAVIGATION SYSTEM

- (1) Raymarine Axiom 12” display with GOLD chart
- (1) Transducer in hull P79S

## BILGE PUMPS

- (2) 2000 GPH bilge pumps
- (1) High water alarm

## NOTABLE OPTIONS\*

- Diesel generator
- Engine joystick
- Air conditioning
- SeaKeeper
- Summer kitchen
- EVA or synthetic teak
- Electric winch
- \* More options available.

# TODOMAR X

Our Todomar X comes after the success of our Todomar 43 and continues the same lines of innovation and design. Our Todomar X uses our past experiences and amplifies every finishing touch to provide a truly unique hull.

Our X gives a unique approach to the bathroom, with the asymmetrical model having the shower and the head completely separate. The aft rear facing seat gives it a great area to fish, or to relax while you watch your children play in the water. The asymmetrical model also allows users to enjoy a complete bed in the bow, have a big table to enjoy snacks with the family or you can remove the table completely to have more space available.

On the other hand, the X can be configured as a fishing machine with a T-top, full walkaround, a plethora of fishing rod holders, fishboxes, summer kitchen, retractable seats and more fishing options available. Proving once again that Todomar boats are built to make your dreams come true.

A man and a woman are embracing on the deck of a boat. The man, wearing a light grey button-down shirt and patterned shorts, is holding the woman from behind. The woman is wearing a wide-brimmed straw hat with a blue band, a floral swimsuit, and a light-colored cardigan. They are both smiling and looking at each other. The background shows a vast expanse of blue water with a city skyline visible in the distance under a clear sky.
